

****Privacy Policy****

Hudson Enviro Solutions is dedicated to delivering quality services while safeguarding your personal information. This policy explains our ongoing commitment to handling your personal information responsibly.

We adhere to the Australian Privacy Principles (APPs) outlined in the Privacy Act 1988 (Cth) (the Privacy Act).

****What Constitutes Personal Information and Why We Collect It****

Personal information refers to any information or opinion that can identify an individual. Examples of the personal information Hudson Enviro Solutions may collect include names, addresses, email addresses, and phone numbers. This information is gathered through various means such as email correspondence, phone calls, and meetings.

We collect this information primarily to provide our services, communicate with clients, and for marketing purposes. Occasionally, we may use this information for related secondary purposes that you would reasonably expect. You can opt out of our mailing or marketing lists at any time by contacting us.

When collecting personal information, we will, where appropriate and feasible, inform you about why the information is being collected and how we intend to use it.

****Sensitive Information****

Sensitive information, as defined by the Privacy Act, includes details like an individual's racial or ethnic origin, political opinions, religious or philosophical beliefs, and memberships in political organizations. We will only collect and use sensitive information for the primary purpose for which it was obtained, with your consent, or as required or permitted by law.

****Third-Party Information****

Wherever feasible, we will collect your personal information directly from you. However, there may be instances where we receive your information from third parties. In such cases, we will take reasonable steps to ensure you are informed about the third-party information provided to us.

****Disclosure of Personal Information****

Your personal information may be disclosed under certain circumstances, including:

- To third parties with your consent.
- When required or authorized by law.

****Security of Personal Information****

Your personal information is stored securely to prevent misuse, loss, unauthorized access, modification, or disclosure. When your information is no longer required for the purpose it was collected, we will take reasonable steps to either destroy it or de-identify it permanently.

****Accessing Your Personal Information****

You have the right to access and update the personal information we hold about you, subject to specific exceptions. If you wish to access your personal information, please contact us in writing. To protect your privacy, we may require identification before releasing the requested information.

****Maintaining the Quality of Your Personal Information****

It is important to us that your personal information is accurate and up-to-date. We will take reasonable steps to ensure its accuracy. If you find that the information we have is outdated or incorrect, please notify us as soon as possible so we can make the necessary updates to our records.
